

# Mp3 Osama - Tall Tales Of Osama Bin Laden

[DOWNLOAD HERE](#)

Parody of musical styles with clever lyrics describing Osama by those who knew him "when." A diverse set of views set to rock, folk, country, dance track, musical stance and more. 14 MP3 Songs ROCK: Acoustic, COUNTRY: Country Folk Details: In the GREAT COUNTRY OF AMERICA, we are granted FREE SPEECH. Our intent is to hurt no one as we present this work, but rather to heal ourselves through expression and escape our own fears through humor and perspective. There have always been lunatics and bogeymen like Osama Bin Laden but they survive best in the dark. Sometimes, seeing them in the light shows us how small they really are.
