Rapping for him started at a very young age. "I remember I was about 6yrs old when I heard my first rap group, The Wrecking Crew." This style of music astounded and captivated him for life. By age seven he was able to create lyrics in full context with rhythmic fashion. For a little boy living in the projects, his dream was born. As he got older, OUTLAW learned more about the different creative styles and the use of metaphores. OUTLAW's drive for creative expression lead him to studio engineering and production. This degree of multi-tasking ability endorsed by quality has placed OUTLAW in vast situations of high demand. His vocal texture is similar to that of Fiend, an enticing tonal detrimend, which compliments the instrumentation of his track selection. OUTLAW has performed venues with Big Moe, Lil Ke Ke, Big Hawk, Wolfgang, Lil Ether to name a few of the regionally touring/promoted artists. OUTLAW humbly admires the works of many rap artists for they have paved the way for his Picasso style of music production. dtrrecords.com
