Details: Ramn was born and raised in Todos Santos, on the Pacific coast of Baja California Sur, Mexico and currently resides in Cabo San Lucas. Ramn says, "I have 10 brothers and sisters. I started playing the guitar when I was 6. We could not afford music lessons so I learned from the earth, sky, and ocean." They continue to inspire his music today. As a young child Ramn was always playing the guitar of a cousin and his aunt scolded him for it. But he could not control his love for music and continued to pursue it. He graduated from college with a teaching degree and taught for one year. Then he decided to devote his life to singing. He became dedicated to not only sharing his own music publicly, but to also promoting the music of other local musicians. He was so driven that he organized the Musician's Association in Cabo San Lucas and served as its president for many years. Every note from Ramn's rich baritone voice comes straight from his heart. His repertoire includes traditional Spanish, American light rock, country/western, and opera. This album was inspired by his performances in one of the restaurants in Cabo San Lucas where Ramn has been featured nightly. La Casa Del Pozo (The House of the Well) is named for the water well at the back of the restaurant. Even without a microphone, his strong, clear voice can be heard from several blocks away. Ramn's voice and music are the Magic from the Well.
