A soothing recording of solo Native Flutes, in the hands of a skilled, passionate musician, with no interruption by other sounds, natural or synthetic. 21 MP3 Songs WORLD: Native American, NEW AGE: Environmental Details: Janice Trytten (Sunflower) is a Native Flute and professional French Horn player in Cincinnati, OH. As a reenactor/living historian in the fur-trade era she brings an authenticity derived from study and tremendous respect for the music and culture of the Native Peoples. The music is straight from the heart. This recording will bring to you a quiet place for the end of the day, meditation, yoga, massage, or a signal for the kids that it's time to slow down. Breath Deeply. Burn some sage or cedar if you wish. Peace.
