

Mp3 The Tim McMahon Ensemble - Illuminations

[DOWNLOAD HERE](#)

A blending of modern creative Jazz compositions, mostly original and using different size groups (quartet to sextet). This music is alive with adventure and is full of color, songful, and organically grounded 10 MP3 Songs JAZZ: Traditional Jazz Combo, WORLD: World Traditions Details: The Tim McMahon Ensemble is led by Southern California drummer/composer Tim McMahon. The idiom is a more modern and adventurously spirited version of quartet, quintet and sextet original and standard jazz group writing. There are a tremendous variety of moods which highlight the album, each distinct composition drawing from intelligent use of the ensemble palette...like the dreamlike hymn which opens "the Eye of Ra", or the driving horn lines of "Labyrinth". The writing is intricate, logical, and always evocative of an emotional experience. There's rhythmic excitement, intensity and daring... (paraphrased notes of Jed Wilson)
