"Dreaming of another world" with these words Thomas Donovan invites us to experience a trance dream in the lead track Pump Up The Love, the first single released from XTENDED.DANCE. The digital-dynamo compels the listener to alter one's reality with quantum ideology. Pump Up The Love-The Video is a digital adventure into a labyrinth of thought extending from the depths of the oceans to the outer reaches of galaxies. Watch the video @ thomasdonovan.com "Pump Up the Love is a lyrical answer to the questions raised by such movies as What the Bleep!?! and The Secret - "the power of creation starts in your mind," states Donovan. Extended dance and remix versions of Donovan's hits Calling Around the World, Total Controller and Trapped are featured on the album, as well as a UK Dance Remix of Colour by North Ireland's talented remix producer Micky Dodds. Dodds is also a co-writer on the hit single Pump Up The Love. Donovan's signature edgy electronica sound is skillfully fused with luscious pop melodies throughout. The high-energy tracks appeal to an international audience with an inclination for modern techno dance vibes. So, take a listen, then bust out the moves.
