Williams World Premier on Major Networks November 27, 2008 Spurred by the images of emotion and the wellspring of hope building up to and culminating in the election of President-Elect Barack Obama, Vernon S. Williams set out to capture the spirit of our times in song. The result--A Song About Hope: It's a Beautiful Melody. "It's an anthem of sorts, a musical complement to the obvious transformation that our country is now undergoing," says Williams, who was inspired by outpouring of love, hope and purpose that emerged. The verses were birthed out of the cultural, political and spiritual shifts that continue to emerge. A Beautiful Melody applauds and celebrates this universal call for CHANGE. Vernon S. Williams is a notable staple in the ministry of Christian/Gospel music. A sought after conference speaker and trainer both nationally and abroad, his purpose is to share and impart his unique gift and perspective of worship! Embracing his convictions that Worship is the journey of life, he is committed to be a gateway used by God for transition, causing a paradigm shift in our perception of worship. He is passionate about being a mentor for ministry gifts, worship leaders and ministers of music throughout the country and the world. His music and published writings are far-reaching to all generations and are cross genre. Developing an extensive catalog of his published works, Williams celebrates the release of his newest CD Anticipation which is touted to be his greatest expression of worship to date. Partnering with the creative genius of Grammy and Stella Award nominee and Dove Award winner, producer Antonio Neal, Anticipation has the authentic synergy of worship with both a contemporary, and neo soul sound

appealing to audiences of various markets. Tags: pop
