Vertigo Road is a folk-rock duo with Colorado roots. Singing partners of 10 years, Kim Kopp and Dawnia Carlson are moving musical storytellers whose intense vocal harmonies flow effortlessly around one another. 8 MP3 Songs FOLK: like Joni, ROCK: Folk Rock Details: Vertigo Road isn't a street or a place - it's a winding musical journey through our relationships, our revelry and, ultimately, our sense of spirit. A folk-rock duo with Colorado roots, Vertigo Road blends intense vocal harmonies with honest and mindful lyrics distilled to a solid and unique essence. Their self titled album includes a host of amazing musicians that have also lent their talents to the music of Bonnie Raitt, Trisha Yearwood, and The Steve Miller Band. "On your journey to discovering new music, we recommend you take a trip down Vertigo Road. A dulcet blend of this duo's vocal talent is beyond remarkable. Dawnia Carlson Kim Kopp make the notion clear that musicians do have creative soulmates. If you've ever loved anything about the Indigo Girls, here's is the West's very own rendition that summons your consideration." TC Krentz of Boston Girl Guide
