Sisters of the Ark driven by a dream of legendary power, these Native American women have sworn to protect all that their people hold dear. **Daughter of Destiny** She'd left her family and her tribe to serve her country. Now Lieutenant Kai Alseoun's military career was over, shattered by betrayal. And so the prodigal daughter came home to find that fate had another plan for her. The tribe's medicine woman claimed it was Kai's destiny to find a sacred artifact and save their people. To Kai, destiny felt like a curse. Because this mission pitted her against a deadly enemy and sent her to the Australian Outback with the one man she had hoped to forget. Only one thing was certain: Kai was determined to win. Or die trying.

**Sister of Fortune** Her orders were clear: recover the legendary, powerful crystal star totem from a dangerous criminal and return it to the Eastern Cherokee nation. And Chief Warrant Officer Vickey Mabrey would obey even though it meant traveling through the treacherous jungles of Peru with a man she couldn't trust. She'd just have to watch her back and do things her way. But the jungles held more than Vickey bargained for as their slippery opponent turned the tables time and again. To complete this mission the highly trained woman warrior would need more than skill. She'd need the elusive wisdom of

the heart. Wild Woman On the other side of the world in the lair of a criminal mastermind waited one woman's destiny. She was the cream of the Black Jaguar Squadron. Under her call sign "Wild Woman," Jessica Merrill had proven her air combat prowess with zero failed missions. But it was her heritage, rather than her military record, that landed her the mission to infiltrate a compound of pure evil to reclaim a powerful totem. CIA operative Mace Phillips had been recruited to play her husband. A stretch for a woman whose lifestyle until now had meant a lonely bed. New to the spy game, Jessie agreed to the dangerous charade with only one goal in mind: mission accomplished. Because Wild Woman never left anything or any one behind
