

A Passage To Britannia By Ms Indira

From the position of servant to an English antiques dealer in her home town of Hyderabad to that of mistress to the same man on the east coast of England, Ms Indira gives us the journey of Aadhaya. Forced by an overbearing father into accepting domestic service with expatriate Brit, Andrew Corbett, Aadhaya finds the handsome older man pompous, self-regarding and patronising and fantasises of being the one in control of both her own destiny and that of her employer. Fantasies that become a reality when the girl with the less than beautiful face but incredible body spies on her employer with a young Indian

prostitute as they have sex on his own front-room rug. When Aadhaya realises she knows the prostitute and they become reacquainted, Andrew Corbett will be taught the true meaning of human servitude.

WARNING: Contains scenes of an explicit sexual nature.
