Content Maximizer Comes with Resale Rights "Get Ready to Give Your Business a Huge Upgrade, Because You're About to Discover the Time Saving, Profit Boosting Magic of.. Content Maximizer." I know your time is valuable, so I'm just going to give you a quick description of this incredible program... The purpose of this script is to allow users to create and manage text "snippets" that will randomly rotate text on their web pages. It can be used by you personally or you can run it as a membership site (which is basically what it was designed to do). Perform management tasks from a convenient administration area - includes adding and removing users, exporting user lists, and viewing usage stats. Gives you the ability to generate substantial income simply by selling user memberships. A convenient and time-saving method of creating and organizing content for your blog and website pages. Includes software user guide with step by step easy instructions
