

Fostering Nurse-led Care: Professional Practice For The Bedside Leader - , Dorothy A. Jones

[DOWNLOAD HERE](#)

This book discusses the importance of nurse-led care at the bedside and how to achieve a professional practice model that allows for such leadership growth, in connection with the recommendations from the Future of Nursing Report. It will provide key background and how-to information about the important leadership roles that nurses can assume at the bedside while caring or patients and families and perhaps most importantly, how to create an environment in which these initiatives can flourish and advance quality health care.
