30 OT (Pronounced "Ought") 6 is a hard hitting, groove- orientated rock band, mingling pure aggression with soundscapes of melodious texture that has been described as Rage Against The Machine and Sevendust meets Faith No More. 7 MP3 Songs ROCK: Hard Rock Metallic Mutually exclusive Metal Thirty Ought Six Songs Details: 30ot6 is an innovative, high-energy rock band with emphasis on melody, aggression, and groove. The four members share a chemistry and mentality that lends heavily to their craft. Their defiance against musical genres gives their music a true dynamic that is noticable from song to song, the true 30ot6 sound. The band currently calls Columbus, Ohio their home-base. However, all four members in the band are from different places around the world. Derrick(guitars) is originally from Poland, and came to Columbus, Ohio when he was eight years of age. Brent (vocals), originally from Pennsylvania, met Derrick while attending The Ohio State University. Two years and a band later, they aquired Sean (Bass), originally from Jacksonville, Florida. Shortly after nailing down the low end, 30ot6 reeled in drummer Tim Dillard. Originally from Texas, he moved to Columbus when he was in high school. Tim was the missing puzzle piece that filled the void seamlessly, making the 30ot6 sound and style complete. In just five months, the four found themselves in John Schwab Studios recording their first EP with Joe Viers. In support of their self-titled release, the band hit the local clubs and venues, opening shows, winning over crowds, and building their Columbus fan base. After the tragic slaying of "Dimebag" Darrell Abbott shocked the scene in Columbus and around the world, 30ot6 was one of the first bands back to play at the Alrosa Villa, on the same stage where the incident happened. This helped the local music scene recover by helping fans and musicians realize it was okay to rock again, and to return to the venue. With their EP and live stage show, doing most of the talking 30ot6 found themselves getting air play on 99.7 the Blitz, the local news, and their music on a couple of high school sports highlight films.

Working hard behind the scenes with creating a website, and promotion on an excellent music website known as My Space, 30ot6 is gaining more and more fans from not only Columbus and the surrounding area, but all over the United States, taking every opportunity available to take their music to the next level. 30ot6 is: Derrick Zajac - Guitars Brent Billet - Vocals Sean Miller - Bass, Vocals Tim Dillard - Drums Copyright 2004, 30ot6.
