Vocal driven melodic alternative rock 5 MP3 Songs ROCK: Modern Rock, ROCK: Folk Rock Details:

"Answer my call" is the debut of Detroit's own Avenue. In this post 9/11 era music can act as a panacea. The exotic vocal vibrato of Rachele Guastella (aka Rachele Eve) affords a soothing and sincere quality. Her performances on "Come now hope" and "Headlines" make them standout tracks. Guitarist/vocalist Mark Pillotto draws on some serious introspection with the blues flavored track "Destiny" and delivers raw power with the song "Hero". Guitarist/vocalist Todd Schoeneman's vocal performance on "Be There" speaks for itself with a chorus hook worthy of primetime TV! All the tracks on this disc are fueled with great rhythmic fortitude by Jay McGlone. Look for future music from this band and it's members!
