If Kelly Clarkson was able to impregnate Avril Lavigne, Bek Phillips would be born. 11 MP3 Songs POP: Pop/Rock, ROCK: Adult Alternative Pop/Rock Show all album songs: Addiction Of The Day Songs

Details: I grew up in Hebron CT. It's a small town with the most concentrated group of musicians I have ever seen...something in the water I guess! We were always skipping class, writing songs and probably doing things we shouldn't have. Music, poetry and art ( I'm a painter too ) have always been the way I've expressed myself. I don't know what I would do without music. I wrote my first "real" song when I was 15 and haven't stopped since. It wasn't until recently that I experimented with the piano, which was a huge accomplishment for me and an awesome release. This is my first solo debut cd and I am very excited! It has been a totally new direction for me...upbeat instead of depressing emo-ish, which I still love. I was listening to a lot of The Cure when I wrote those old songs :) About me personally: I'm quirky and weird...I take my music seriously, just not myself. Thats it for now! I hope you love3 the cd ;) xo-Bek
