Details: "Guitars Rule" An Instrumental CD Featuring the unique talents of guitarist "Bobby Flurie" A veteran of more then 25 years of professional experience in the world of music. Bobby has performed on stage with: Quicksilver Messenger Service - Boz Skaggs Eddie Money - The Pointer Sisters - Journey The Doobie Brothers - Huey Lewis - Moby Grape Country Joe and the Fish - The Dinosaurs Big Brother and the Holding Company (the list goes on and on) "Guitars Rule" was adapted into an instrumental from a recent project entitled, "Now and Then". Vocals were removed and replaced with guitar tracks. We like to say, a "Wall of Guitars". All the guitar work on this CD is a product of Bobby Flurie, accompanied by Ken Johnson, on bass Mike Mayo, on Percussion. Selected cuts include Al Remsburg on sax. Bobby Flurie is a rare guitar personality. His battle worn "Gibson SG" is the extension of this personality (no peddles, no gimmicks). Any effects, beside reverb, are studio induced. A "Fender Telecaster" was used on select cuts, as a tribute to Bobby's long time friend and confidant, "Roy Buchanan". With the exception of three cuts, all songs are Bobby's creation. Two "Bonus" track (12 13) were recorded in 1980, in California. The rest are a product of: WKJ Productions and Flurie Records
