Now the transformative power of Jesus' words, teachings and miracles come to vivid life once again in this two-CD audiobook, narrated by Brad Sherrill. This is the entire Gospel of John, beautifully and compellingly retold through the power of the spoken word. Brad Sherrill had been a successful Atlanta-based professional theater actor for 15 years before memorizing the nearly 20,000 words of John's entire gospel. He quickly developed it as a live theater event in 2001 and now tours the world, presenting The Gospel of John in professional theaters, large cathedrals and churches of all denominations. The Gospel of John was performed off-Broadway at New York City's historic Lamb's Theater (2003) and at professional theaters in Chicago, Washington D.C., Toronto and Atlanta. Brad Sherrill also took The Gospel of John on an extensive U.K. tour in 2007, with performances at Lincoln Cathedral and Westminster Cathedral (London.)
