Bridging the gap between hip hop and r b, Cosmo's Diverse University album is one of the most complete, innovative albums of this era- Party Source Magazine 20 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: Cosmo is a major contributor of the multi- talented side of music. Raised in Milwaukee, Wisconsin, Cosmo has been raised on hip hop. His style of music suddenly changed when he discovered his singing voice at the age of 11. From then on, he was deciding on which way to present himself to the world. Would it be as an emcee, or as a singer? Well I say screw it! Be who you are because you are truly a genius! This 23 year old now resides in Memphis, Tennessee where there is a lot of musical history that has emerged from this city, so maybe this is a place that would accept Cosmo as an urban legend. The Producer/emcee/singer/songwriter/engineer has been in and out of groups just to find his niche, but I think he has found it. His capabilities are unlimited, so be on the lookout for the next Dr. Dre/Nas/Lauryn Hill/Stevie Wonder in this day and age. "5 star album, solid" says Party Source Magazine. "One of the most incredible, entertaining and thought- provoking projects I've experienced in music" says Randy Buford, executive associate of Memphis Urban Vibe records. So go pick up your copy and see what's going on for yourself... Peace!! P.S. Look out for the mix tape vol. 1 and 2 in a venue near you!
