smokin hip hop from south carolina 16 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Alternative Hip Hop Details: Creastland Boys is a group straight from south kack.We are a group of three.Lil Azley (producer/engineer/songwriter/rapper) Major J. (beatmaker/songwriter/rapper) Mike Mize (songwriter/rapper/the studding pretty boy). Sometimes it is four of us (chuck t). We started rapping in 1998 in Chattanooga Tn.We hung around a lot of studio's to get familiar with the business. Even though,music always was in our blood due to our family (Stimulus r&b group). We had the opportunity to be around a lot of other entertainers but we always wanted to do things our way. Our album "We Been Ready" is violent but not hard core.We also have a few "girly" songs on it. Our next album "The Return of the Creastland Boys" is a little bit harder and ready to be bought. We don't only just rap. We are singers, not the best, but we are singers,and we are very good in sports.We express ourselves better in rapping. EABH is the owner of Creastland Boy Records, Lil azley is the founder.
