Dee records sits the producer/lyricist known as MR.W, or more commonly known as Crossover. Similar to
Moses splitting the Red Sea, Crossover's aural expression divides the airwaves. The gift that has been
bestowed upon him is clearly undeniable. Whatever challenges life presents to you, Crossover
encourages you to face them. A veteran in Gospel rap, Crossover has performed at numerous venues
including S.B.I. Ministries and Gospel Flow, sponsored by Ms. Serita Campbell, a well-known Milwaukee
producer. While performing, his electric energy fills the room as time is measured in a slow-paced lull of
perfection. Crossovers latest release, "The Armour of Light," is a must have. God has chosen this
righteous creator to continue the work of greatness.
