We're part of The Solution. 10 MP3 Songs POP: with Electronic Production, ELECTRONIC: Pop Crossover Details: Deeprock is Rude Solo (Music), and Dawn Hunter(Vocals). The Duo formed in 2004 amidst the chaos, disenfranchisement and confusion of Los Angeles, then took refuge in The California High Desert to write the tracks for this Debut CD. The 10 Tracks which emerged are a stylishly written tour de force of classic pop moments. Deeprock is a band that wears its heart on its sleeve, bringing honesty, depth, a sense of humour even to todays all to often maudlin nnd predictable pop scene. This exiting debut cd will grow into a permenant part of your collection! 'Deeprock' was Produced by Dany Tomas, who has Multi-Platinum selling artist sales in Europe to his credit, and recorded at Dany's Personal Studio facility in Hollywood CA. Deeprocks influences include: Avoiding the cachophenous babble of media drones, music industry pirates and souless corporate Mephistos, surviving by their wits, and breakin' outta L7.
