An excellent example of Manuel de Falla and Gaspar Cassadó works. A nice recording to enjoy classical Spanish music. 13 MP3 Songs in this album (43:53) ! Related styles: CLASSICAL: Chamber Music, CLASSICAL: Traditional People who are interested in Gaspar Cassadó should consider this download.

Details: FALLA CASSAD: CELLO AND PIANO PIECES From the most unknown Falla in his first creative period, we move into the more popular one, getting in the second decade of the 20th century, with the transcription made for cello and piano by the French Maurice Marechal of the well known Seven Popular songs, here under the name Spanish Popular Suite. From the interesting existing work of Cassadó, two of his most popular ones have been selected for this recording: Sonata nello stile antico spagnolo (1925) and Requiebros (1931).

JIMENEZ-HIGUERO CELLO AND PIANO DUO The Jimnez-Higuero duo started its artistic career in 1997. From this point an increasing activity of recitals began, taking them to perform in most of Andalusia and Spain. Csar Jimnez is cello teacher in Conservatorio Superior de Msica in Mlaga, Spain, and principal cello in the Manuel de Falla Orchestra. Juan Antonio Higuero is piano teacher in Conservatorio Superior de Msica in Granada, Spain, and has performed with the City of Granada Orchestra and as an accompanist of the City of Granada Choir, touring Poland, Germany, the U.K. and Portugal.
