Poetry with Music, Spoken Word, Jazz 16 MP3 Songs SPOKEN WORD: Poetry, JAZZ: Jazz Vocals

Details: Blue Suite, Voices Memory is a collection of poetry music that renders and paints for the listener vivid visual pictures, brilliant honest. A coming together of music and spoken word that touches the heart, soul, spirit and something in the blood. As Gary says, "Life is a ceremony for the living, some get scattered...when you tear it all down love is at the end."
