Fine classical guitar. Classical guitar favourites plus beautiful original pieces - relaxing and theraputic - one of the finest recordings you will ever hear 20 MP3 Songs CLASSICAL: Contemporary, CLASSICAL: Traditional Details: Hi! I,m Geoff Penny. I live in Victoria Australia in a semi-rural enviornment. I was a late starter, beginning classical guitar studies at 28. I was fortunate in meeting Sebastian Jorgenson, life long friend of John Williams. He began his studies with John's father Len Williams as a young boy. I was always impressed by his beautiful tone and sensitive control of phrase shaping and dynamics. Sebastian often made reference to the great cellist Pablo Cassal's "The Art of Interpretation".
