Shout-out chorus pop that feels as good as when you leave someone's house, the first morning after. 12 MP3 Songs in this album (44:50) ! Related styles: POP: Quirky, POP: Party Pop People who are interested in New Order P!nk Jamie T should consider this download. Details: I love pop, sometimes even the vacuous throwaway style of mainstream manipulation. The pop I love most has something to say, and tries to say it a new way. Here's how I think these tracks sound. And I'd love to know how they sound to you... (Dont Be A) Dinosaur - popified thrash riff over rebel-rousing Tears For Fears style chorus Aliens Abduct Me - guitar grounded raps play a childrens tv theme Zap - 90s computer game soundtrack with motorcar guitar Haunted - mashin up Coldplay and Depeche Mode Generation X (Generation Y) - boyband guitar meets a smiling Billy Idol Unlock The Gate - Dr Dre riff around sonnet delivered like The Streets 8th Deadly Sin - space age rhythm hosts stadium rock chorus Taste Danger - Thin Lizzy across a disco beat Puzzle - prog-rock in 80s pop style meets electro-folk Suffer - speak n spell hook with ranting chorus Lifeless - synth-strings and piano ballad, sweet then sour Golden - Tangerine Dream backdrop with Pink Floyd shimmer
