Details: BUDDHA CHILL VOLUME 4 ACTUALLY ROCKS A LITTLE HARDER THAN PREVIOUS VOLUMES...STILL DREAMY...BUT YOU MIGHT FEEL THE URGE TO DANCE...ENJOY THE DEPARTURE... "Ear candy." - Sounds "Deep vibey turntable phunk!" - Vibe Magazine "An ethereal ear phuck." - Blender "The Buddha Chill series offers a wide degree of feel, from super-fly urban attitude to sensitive retro soul. If you thought hip-hop electronica was all about aggression, turntables, and oversized expensive trainers, producer Joe DJ is here to tell you that it can just as easily be about deep shag-pile carpets, glitter balls, and Barry White's enormous Love Thang." - Rolling Stone "It ain't about b-boys in baggy Fubu jeans bumpin' Jeep beats. These funky, jazzy joints bring to mind gents decked out in Gucci suits and velvet-clad ladies sipping Hennessy and chillin' to some sexy sounds. Whether you want to get your groove on or just get it on, this collection of smooth, saucy, and luscious grooves is it." - The Source "If chilled-out, funky grooves with a slightly retro flavor make you feel all warm and bubbly (like taking a sip of Courvoisier followed by a mouthful of Cristal), give the Buddha Chill series a taste. It's an intoxicating concoction that will keep your head spinning for many months to come." - CMJ "Featuring a variety electronica styles spiced with Eastern flavors, this is dinner music for the new millennium." - Spin Magazine "The Buddha Chill series is destined to become a firm favorite with those who like their beats laid back, funky, and lovingly constructed." - New Music Express "The best f***ing music on the planet." - Penthouse Magazine
