

Mp3 Jon Hughes - Physics Says

[DOWNLOAD HERE](#)

For as much as the songs vary (from folk to psychedelic rock to alt-country), there is something common in all of them that can only be attributed to Hughes' unique songwriting style. 15 MP3 Songs COUNTRY: Alt-Country, ROCK: Psychedelic Details: Jon Hughes was born in Green Bay, WI, USA, and currently lives in Ireland. His new album, Physics Says, was recorded over a dark and rainy Galway winter The album negotiates, both intellectually and scientifically, the problems of engaging with people and objects in cold, physical spaces. These songs are at times morbid, often absurd, and always quietly philosophical.
