Related styles: EASY LISTENING: Nostalgia, CLASSICAL: Romantic Era People who are interested in Ludwig van Beethoven Cole Porter Richard Clayderman should consider this download. Details: Over the last dozen or so years, Jon Persson has been a steady piano-entertainer onboard many of the major cruise lines. He has performed many concert tours in North America and Europe, and appeared in Broadway musical productions, as well as Walt Disney World in Orlando, Florida. His styles include Standards, Broadway, Classical, Ragtime, International, and more . . . Jon's Old-Country Swedish Norwegian parents started him out in the music world as an accomplished accordionist, which he continues performing on to this day. Classical piano is his passion, but he loves American popular styles as well, which serve to make him a very well-rounded musician. This album contains a variety of music by Gershwin, Porter, Scott Joplin, movie themes and classical masterpieces. If you are looking for beautiful, timeless, and relaxing music, performed in stylish and tasteful arrangements, then this is the album for you.
