Folky and bluesy, acoustic based 9 MP3 Songs BLUES: Rockin' Blues, FOLK: Folk Blues Details: Kevin has spent the last two and half years backpacking around the world and this compilation has now been listened to in over 65 countries. Particular interest seems to be getting paid to his haunting introspective September 11 ballad - "A View from the Mirror". Originally he thought the cd should be called "Nine Different Songs That Never Should Have Appeared on the Same CD", but for obvious marketing reasons he opted not to. It is probably better described as an irreverant collection of folky, bluesy, acoustic based creations. Maybe it would just be best to listen to a sample of the tunes and see what you think for yourself. The gift we all have to give is already with us. . . it's Only A Thimble.
