Pop music with a touch of country influence. Kristina's lyrics are straight from her heart and this music will touch your soul. 6 MP3 Songs POP: Delicate, COUNTRY: Country Pop Details: Kristina's voice has been classically trained since age seven. Since then, she has performed in eight countries and on both coasts of the United States and most recently at the Triple Door and Safeco field in Seattle. In her travels, she took home several prestigious awards however singing was not her only passion. Her songwriting began several years ago and she quickly partnered with veteran film composer and drummer, Stephen Cavit. With great tunes under their belt, Kristina and Stephen captured the attention of Bad Animals Studio Owner, Tom McGurk, who then became a part of the team. Stephen and Tom's creativity and musicianship are truly amazing. Not only are these two great players, but they are also top-notch writers. Their composition work has been featured regularly on MTV, HBO, BILL NYE THE SCIENCE GUY and on shows such as CHUCK BUCK and THE GOOD GIRL and numerous other projects. Tom McGurk is one of the co-owners of Bad Animals Studios and is a five time Emmy Award Winner. Bad Animals is well known in the music world for the high-end recording facilities. Past music productions at these studios have won multiple Grammy Awards. In addition, Stephen was awarded one of six fellowships to the 2000 Sundance Composers Lab. Together they completed the EP entitled "Touch the Sky" in 2003. All experienced performers, the group has played sets in local venues to bring the music to the people of the Pacific Northwest. They have played at the Triple Door and during the "Field of Lights" celebration at Safeco Field with Chris DeGarmo on guitar, Nancy Wharton on Cello and Lyn McManus on backing vocals. Last December the group was honored to have been selected for the new CHRISTMAS IN THE NORTHWEST CD which features prominent local artists such as Loni Rose, the Coats, and Grammy winners Tingstad and Rumble. Current Activities and Plans: The new TELL ME album is now out! Also,

Kristina's music was included during the ending credits of James Canfield's new indie film FEEDING THE HAWK.
