A fun filled eclectic musical romp through the holiday season. 5 MP3 Songs ROCK: Modern Rock, POP: Beatles-pop Details: *** ALL profits from the sale of this CD go to the Red Cross Relief Fund. HERE IT IS!! The NEW Holiday CD from MADHOUSE!! This is JUST the thing you need to REALLY make the season bright! This is a collection of five newly recorded holiday songs we think you are gonna LOVE! It includes two original Christmas tunes...a rerecorded updated kick butt version of the previously released "Single Bells" as well as a new tune called "Christmastime". Joining them on the CD are versions of "O Little Town of Bethlehem" and "Santa Claus is Comin' to Town" performed "a la MADHOUSE!" The disc ends with a reworked nutty version of the old classic "The 12 Days of Christmas" called "The 12 Drunks of Christmas". This CD was recorded "live" (well...mostly) at Phat Planet Studios in November 2004 with a hoarde of wacky (drunk) MADHOUSE fans in attendance at the studio. You will feel like you were "at the party" when you hear this disc! (except YOU won't have a hangover the next morning like they all did!) It is JUST the right mix of fun and sentiment to make this your new favorite holiday CD! But who the heck is MADHOUSE anyway? MADHOUSE is an Orlando based original rock/pop band. If we had to sum up what kind of music it is, we would have to say FUN! An upbeat pop vibe with thoughtful and oftentimes tongue in cheek lyrics would also accurately describe the kind of music MADHOUSE is known for. A mixture of rock, folk, swing and other styles come together in a clever and energy filled way that will draw you in from the first bar and keep you there! Groups like Barenaked Ladies, The Beatles, They Might Be Giants, Crowded House and Elvis Costello have been influences on the band since the beginning. OTHER CD'S BY MADHOUSE CAN BE FOUND RIGHT HERE ON CDBABY! The band's 2002 release "Dial M for MADHOUSE!" can be found at cdbaby.com/cd/madhouseband. The band's upcoming release " Strong Kung Fu" will be out in the Fall of 2005 and will also be available here on CDBABY! Check out
