Clever lyrics and catchy melodies 13 MP3 Songs POP: Folky Pop, ROCK: Acoustic Details: Hey guys! Thanks for stopping in and taking a listen to my new cd. I'm currently waiting on a friend of mine to finish a bio for me, but I wanted to just tell you a little bit about myself. I started playing guitar in 2003 because of a New Year's Resolution. I played my first show after only three months and I've played tons since then. I started recording "Pink Buffalo" in August as a 5 song EP and ended up completing it in December as a 13 song full length album. I'm really proud of it and I think you'll like it too! no worries... just love...
