Multi-facet with intrigue.....Artistic rock,unpredictabley addictive, one song is ethereal and the next one is rocking ,this is esoteric rock and everyone is invited to join.....not quite sure how two people can sound so big/sonic and melodic.....beauti 9 MP3 Songs POP: New Wave, POP: Quirky Details: This is Mongoloidian Glow's best CD ever. An artistic approach, compiled with their newest material really showing their musical growth.....Every song is different from the next while still having that unique Mongoloidian Glow sound,only created by these two women.....It is hard to believe what you hear is only two people; there are no instrumental overdubs in this CD or any of their CDs for that matter. The vocal harmonies are indescribable.....They do one cover of a Cure song "Lullaby" that artistically fills the instrumental voids with just guitar, drums and vocals, Robert Smith will be proud! This is still Mongoloidian Glow's standard of switching on and off of bass and guitar from song to song. You must listen for yourself, it only can be described as "Esoteric rock" says Annbidextrious of Mongoloidian Glow.....Join the esoteric club and keep artistic rock alive!!
