Nicoluminous brings his interpretation of HipHop, Reggae, and electronic music to the world. His newest release in late 2007, Unstoppable, is a fantastic display of his original singing and rapping style. Socially and Spiritually concious lyrics delivered in a fluid, rhythmic, and melodic fashion meld seamlessly song after song. The ground support being tha fun and playful beats which can go from organically rich to synth drama heaviness makes for a constantly evolving sound throughout tha album. Special guests include KRS ONE, Vaughn Benjamin (from Midnite), and many more.
