Upbeat, Fun, Educational with a positive message. Helps Kids to say No to Drugs.. 11 MP3 Songs  
KIDS/FAMILY: Children's Pop, KIDS/FAMILY: Kid Friendly Details: Music is a great medium to educate. That is why we wrote these songs. To let kids know that dreams are exciting. That they make life fun. We tried to remember what it was like when we were young and some of the dreams that we had. We were inspired to write these songs because of our three children. We wanted them to enjoy being kids. To have a positive outlook in life and to be aware of the dangers of drugs. They are grown up now but these fun, upbeat, educational songs are great for any age kid even grown ups. I perform some of these songs at elementary schools throughout the midwest. We have performed these songs in front of hundreds of thousands of students and parents. Please take a listen. I hope you enjoy.....
