[DOWNLOAD HERE](#)

Eastcoast-ish hip-hop with R&B flavors organically grown with electronic sounds. 11 MP3 Songs
URBAN/R&B: Brown-Eyed Soul, HIP-HOP/RAP: East Coast Details: This Album was implemented to a
click track...I played every instrument after rehearsing takes for hours... Then drove to People's houses
put microphones in front their faces asked them to pretty much freestyle lyrics. Much of the Vocals were
cut pasted together. Well.....Dooms in yuh mout' Blast were a one take. Although this record is simple in
nature,it is REAL - cuz' we made it from scratch all the words are from the heart. Humans have told me
"this one's got good sounds to roll to" I am ever grateful....please enjoy. People who are interested in
should consider this download.
