Mp3 Supdude - For The Colors

DOWNLOAD HERE

Supdude is Acoustic-Folk on Adderall. 10 MP3 Songs POP: Folky Pop, FOLK: Folk Pop Details: Redfella Records, Marquette's newest record label will be launched and in business-operation come September of 2006. Supdude is the regional-micro label's first showcased client. Demos are coming in fast and we can't wait to distribute more albums from the area's pinnicle of talent. Though just in the inital business-planning and set up process of the company, Redfella Records is well determined to showcase more great local bands before the fall. Until then, you can help us out with some fundraising by BUYING SUPDUDE'S "FOR THE COLORS!"
