This music sounds like Jack Johnson giving Mick Jagger a tattoo 13 MP3 Songs FOLK: Folk Pop, ROCK: Surf Rock Details: Imagine growing up in a small town where everything you could possibly want is just a fifteen minute walk away. Everyday you looked for a couple of your good friends to jam with after school. If nobody is available, then you would show up to watch a band prepare for a gig or go to one the coffee shops and watch a singer-songwriter share his best songs with you. Welcome to South Jersey! South Jersey is full of musicians ready to go out there and play for anyone anywhere. The Feelgoods is a band that is doing just that. The band started in the mid 90's with a handful of artists bringing together their backgrounds in country, pop, rock and folk. If you want to hear what these artists came up with, then pull up a seat!
