This CD offers a fresh sound by a trio of sisters with a positive message for their generation. The Moore Trilogy unites urban contemporary, rap, jazz and traditional styles to create a wonderful blend of praise, worship, and songs to jam to! Most of the lyrics on U Got Me are written by the oldest sister, Sequoya. Her unique writing skill has the ability to add just the right hook line to take her songs to another level. Sequoya definitely establishes herself as a serious songwriter on this CD. Her confident lead vocals and heartfelt lyrics are VERY nice and demonstrate her passion for music and her love for God. Mikaya, the middle sister, adds soulfulness to the project with her lead vocals on Praisee, Make a Joyful Noise and Dont You Know. Mikaya also makes her songwriting debut on Thank You. Mikayas testimony of Gods faithfulness in her life is a powerful one. As one who battles Sickle Cell Anemia, Mikaya gives all the praise to the One who has kept her and healed her time and time again. Devan, the youngest of the trilogy, adds her consistent, melodic alto voice to the Moore Trilogy background sound. Not only is Devan a vocalist, but she is also a very talented saxophonist. Devan committed her life to the Lord at a young age and understands the realness of a relationship with God. Arnett and Pamela Moore are not only the Executive Producers of U Got Me, but they are the proud parents of these three beautiful and talented young ladies. Arnett arranged and produced all of the songs on this innovative CD. His vocal arrangements are simply awesome! Arnett is not new to the world of music production...he produced two CD projects for his church choir, the Metropolitan Cathedral of Truth Praise Alive Choir; co-produced Helena Barringtons Songs for Life; as well as CD projects for several

artists in the North Florida area. As a Producer, Arranger, Songwriter, Musician, and Band Director, music has always been a part of my life...and it has always been a part of the fiber of my family. Pamela, also a vocalist and songwriter, is the Business manager and PR person for the Moore Trilogy and Chenaniah Sound. She is very proud of her daughters and gives all glory to God for all He has done in her family. Music has always been a part of our familyGods gifting. Now, its time to do what He has told us to do Look for MORE from the Moore Trilogy and Chenaniah Sound!
