Martha and Jeremy Whittaker are worried about the fate of their daughter Anna. Was she kidnapped or did she go willingly with the man that stabbed Jeremy? Is she in danger? The Whittaker family is again faced with turmoil and tragedy as they try to come to grips with Anna's fate. How could Martha raise three stepsons to become such fine young men and have her own flesh and blood turn against her? Mothers and daughters have been in love/hate relationships for centuries, many will identify with Martha and Anna in the gripping tale set in the late 1800's. The Return to Whittakerville will solve the mystery of The Whittaker Family Reunion for fans of this loving, determined family. This is the final book in the three book series but watch for your favorite characters to continue with stories of their own. The author's ability to bring to readers what it was like to live in this time period is uncanny. You almost feel as if you were there. It was full of suspense, made you love-hate some of the characters and yet at the same time realize that abuse was evident even in this time period. We don't read much about women who can leave the past behind, be strong and make a life for themselves in this era. Award winning Author Shirley A. Roe is proud to release the final book in the Martha Whittaker Story. The first two books were widely

received, both in North America, the UK, and Europe, developing a firm fan base. Ms. Roe is currently working on another historical fiction to be released shortly. Of Dreams And Nightmares won the UK Blether Gold Award. The Whittaker Family Reunion was a finalist in the 2009 NIEA Book Awards. We look forward to more wonderful stories from this author.
