

San Francisco Bay Ambience / Atmos (sfx Sound Effect Wav)

[DOWNLOAD HERE](#)

Recorded in San Francisco Bay in California, this recording beautifully captures the sound of scenery around it - the water, rigging in boats, the wind, people taking a stroll and seagulls. All files on sale by Sevenleaf SFX have been recorded by professionals and as such are royalty free. They are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
