Rory Hanson is having a crisis. Her problem? Her ten-year high school reunion is approaching fast, and she's not ready. It's shallow, she knows, but she wants to wow her old classmates. She's got a good job, but she needs the whole package if she's going to make a killer entrance. That would, of course, include an awesome car, a killer body, and a mouthwatering guy on her arm. An eventful visit to the gym shows her that she may be able to kill at least two birds with one stone. A course of hard training begins, with Rory keen to impress personal trainer Jake Logan -- a spine-tingling, knee-weakening, hunk of burning love that she just cannot resist flirting with. She just has to find a way to convince him to be on her arm when the boasting at the reunion begins.
