

## Mp3 Aphorism - Surge

[DOWNLOAD HERE](#)

Surge promises a moody and dirty trip into what innovative dark Electronica is truly meant to be. Exhibiting a panoramic of complexity and an uncanny skill with rhythms, Aphorism manages to lay down track after track of beat-driven melancholy. 15 MP3 Songs in this album (72:36) ! Related styles: ELECTRONIC: Electronica, ELECTRONIC: IDM People who are interested in Amon Tobin Skinny Puppy Totakeke should consider this download. Details: Out now is the serendipitous new collection of work from Chicagos very own Technoid Industrial wizard Aphorism. Displaying a vast array of music styles, all deeply-rooted in the Technoid Industrial and dark Electronica realms, Aphorism offers his very best works in a beautifully-dynamic and thought-provoking debut album for Tympanik Audio titled Surge. Surge promises a moody and dirty trip into what innovative dark Electronica is truly meant to be. Exhibiting a panoramic of complexity and an uncanny skill with rhythms, Aphorism manages to lay down track after track of beat-driven melancholy, marked by an acute sense of memorable melodies that will linger long after each track fades. 15 innovative songs, each with their own personalities, yet still plotting an accessible map of cohesiveness. With stunning artwork by Salt (Ant-Zen / Hymen), Surge offers additional bonus material in the way of some extraordinary remixes by Totakeke, Access To Arasaka, and Tapage, all arriving to your eyes and ears on digipak compact disc, only from Tympanik Audio
