a female spittin quick, raw, hardcore lyrics with a revolutionary real life twist some kung-fu flava 2 top it off. 7 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: East Coast Details: I go by the name of B-Mor7 cuz i am always striving to be more, to be better than I was before and improve on my skills; seven iz a divine number for spirituality. Before I had this name i used to go by Kid, then OUTLaw the Kid and now Im B-Mor7. Ive been writing my own lyrics and songs since I was about thirteen so its been over ten years now. Ive performed all over Rhode Island as well as places in Baltimore, California, Missouri, Cleveland, New York, Boston. My first album entitled W.A.T.C.H.Out (Wandering After Truth Cuz its Hectic Outhere) came out on my birthday (September 19 Virgo) in 2003. Since then I have been in a group called DSO. We came out with a cd called Hamburger Hill and we're working on a mix tape. I also dropped a double album called Mic(Ra)phone Meditationz Volume 1 2. Volume 3 is in the works right now. People say my style is unique, its different cuz i got my own voice (which everybody seems to like) and my own lyrics with a fast style (so listen close). I get my beats from a variety of producers to give different flavors to each song. My topics range but mostly focus on either raw lyrics or life and injustice; different struggles people face. I've created my own website where you can view my cds as well as other compilations Ive been featured on: b-mor7 I also got a new video coming out called Hold On featuring Reb 1 and Kelli. I do spoken word poetry as well. So check me out if youre prepared to listen, concentrate, and think, cuz these aint no simplified radio tracks...
