Wow..what a great cd, and a beautiful voice.. I really fell in love with the song "He's Not Me". I'm buying this cd for sure, best country CD on CDBABY...Reviewer: melissa 12 MP3 Songs COUNTRY: Country Rock, COUNTRY: Country Pop Details: Nominated for: Single of the Year Male Vocalist Song of the Year(Composer) Fans Choice Entertainer SCMA Awards: Album of the Year Rising Star Codie Prevost is a singer/songwriter similar to Keith Urban and Bryan Adams with a sprinkle of (Matchbox 20)Rob Thomas's panache thrown in for good measure. These recent nominations are an important step towards reaching that goal. Codie is overwhelmed by the support of his peers and fans and is grateful to be included with such great artists. Codie's debut album The Road Ahead has earned him 3 of the 6 nominations at the Saskatchewan Country Music Awards. It features the singles Not Just the Beer Talkin nominated for song and single of the year, as well as the most recent release the title track called "The Road Ahead". The Road Ahead nominated for album of the year was recorded in Nashville with producer Steve Fox. It includes 12 original songs on which 11 Codie had a hand in writing along with other talented Canadian songwriters such as Tim Taylor, Steve Fox, Jay Semko. Codie and his debut album continues to gain exposure nationally and internationally receiving radio airplay on over 105 stations in Europe and Canada. He has performed at a wide variety of venues from small establishments to larger events as well as opening for such artists as Charlie Major, Ronnie Prophet and The Good Brothers.
