

Mp3 Conundrum - Thanks For The Grief George Bush

[DOWNLOAD HERE](#)

Conundrum is a percussion group which incorporates saxophone, didgeridoo, electric and acoustic guitar, and balloon in it's live concerts. 3 MP3 Songs in this album (34:54) ! Related styles: WORLD: World Fusion, NEW AGE: Ethnic Fusion People who are interested in Mickey Hart Robert Mirabel should consider this download. Details: On July 4 2008, eight musicians assembled in Centennial Park in Sarnia, Ontario, Canada to present the "Thanks for the Grief, George Bush" concert, celebrating the upcoming end of a bizarre period in north american, and world history. The message was, "Let's hope that America never, ever, elects anyone like George Bush as their leader again". Looks like it worked! Conundrum is essentially a percussion group with a few twists. Conundrum members are: Mike Blackmore - djembe, acoustic guitar, balloon Wulf Von Waldo - saxophone Bruce Dean - electric guitar Bryan Turner - didgeridoo, djembe, other percussion Jim MacDonald - djembe Monica Trapani - congas, wave drum, maracas Zane Jeremiah Gray - djembe kit Al Coleman - bass guitar
