A set of powerful modern rock songs that have been compared to bands such as Godsmack, Soulfly, Chevelle and Rage Against the Machine. If like like music with a good back beat and groove. You'll love this. 10 MP3 Songs ROCK: Hard Rock, METAL: Heavy Metal Details: In June of 2004, Kevin and Ken searched for a drummer on baltimorebands.com. There we found Jimmy, under the "others" section of members wanted. Then, Bob, also from baltimorebands, listened to some music we had posted. Bob had the drive, passion, and rough vocals we were looking for. If we had to describe our sound, we'd have to say "A very hard driven set of groove oriented Modern Hard Rock. Not that we sound like but "some" of the bands that make up a small part of our musical roots are: Black Sabbath, Helmet, Chum, Tool, Karma to Burn, PANTERA, Down, Kyuss, anthrax, m.o.d, Overkill, Anhilator, Exodus and Dream Theater. It is really hard to explain our sound. Our fans describe us as very original but also accessible. Baltimore's premier hard rock band and definately a band not to be missed if they hit your town. We have been compared to Godsmack, Rage Against the Machine, Soulfly, Helmet, Black Sabbath and Chevelle. Fan mail can be sent to: Driveset P.O. Box 43665 Baltimore, MD 21236-0665
