It features Gary Schnitzer on violin, along with his ensemble of accoustic guitars, bass, mandolin, and accordion. And a lush carpet of string harmonies interwoven throughout. It also has some jazz and cabaret styles in songs like "La Vie en Rose" and "The Sweetheart Tree". It ends with a haunting rendition of "Ashokan Farewell", which was used effectively in the PBS Ken Burns' Civil war series on TV. This lushly and colorfully packaged CD makes an endearing romantic or sentimental gift. It is wonderful background music for relaxation, nostalgia, or romance.
