

Mp3 Hard Knox - Any Way But Down

[DOWNLOAD HERE](#)

When you hear a kicking jam that makes you go out and get the CD and find that the rest of the CD rocks just as hard, you know you got your moneys worth and this CD is money well spent. 10 MP3 Songs
ROCK: Hard Rock, METAL: Alternative Metal Details: The First CD for Hard Knox, "ANY WAY BUT DOWN", is a CD full of melody, good rock with lots of attitude. Hard Knox gives you a totally today rock sound with the lead guitar brought back to the forefront where it belongs. If you like good rock tunes with lead guitar work in them then try this new CD. Your ears will thank you and so will we!! Oh, and just in case any of our highly respected A&R people, or anyone in the music industry happens to be reading this. Any deal to move this music forward will be considered. This independent release is a promotion for the works of Dann Howard. Songs for licensing or purchase are also available to interested parties.
