Improvised music duets using spoken word, weird jazz and experimental tastes to stir things up. 17 MP3 Songs JAZZ: Weird Jazz, SPOKEN WORD: With Music Details: Over the last decade my professional emphasis has gradually shifted from traditional jazz to free improvised music. This disc is a collection of my ongoing collaboration with other free music artists in Israel today. These duos, of various durations reflect my preference for intimate musical dialogues. Some pieces are totally improvised and others are more structured. This mostly duet format accentuates the driving force behind my work..finding one's space.
